## Features You Need. Extras You Want.

### FOCUSED ON CONTENT

Our interface is bright and simple.

And, we don't try to sell you anything. Not even more of our plans and products.

Focus on what matters: Sharing YOUR content.

### FULL OF FLEXIBILITY

Works in all browsers. Even Internet Explorer.

Share via link, email, SMS, Facebook, LinkedIn, you name it.

Hundreds of supported file types. Obscure ones included.

### EASY ONBOARDING

In less than a minute, create an account any way you'd like:

E-mail, Facebook, LinkedIn, Google+, whatever.

### SECURE AND SAFE

Password protected. 256-bit AES encrypted. Data is encrypted over SSL.

Create your own secure circles meant only for family, work colleagues, or friends.
